This year we dedicate our yearbook to those to whom we owe our first and deepest debt of gratitude—those wonderful people whose sacrifices have made our education a thing not only of the mind but, above all, of the heart and spirit: OUR PARENTS.

The eyes reveal the soul, the mouth the flesh,
the chin stands for purpose, the nose means

something we call "expression."

*The
Face of
Mission*

To Miss
Hood
Always. Sally

My name is Joyce!
She lives my name is Joan!

Expression is what makes a certain smile different from any other. It is the universally appealing look of the student who wants to **know** the who and what and when and how. It is joy dancing across the face of a homecoming princess. It is the knotted face of a teacher who wants so much to help but doesn't know exactly how. It is the mouth of a defensive halfback in an incredible position that tells the story of defeat as eloquently as long bus rides home. It is school-spirit surging in the eyes of a cheerleader or love of God written across the prayerful face of a girl in church. Expression is joy and hope and love and sadness . . . Expression is life at its most noble and beautiful. This is why we have chosen as our **theme** the manifold expression captured on THE FACE OF MISSION.

Administration . . .

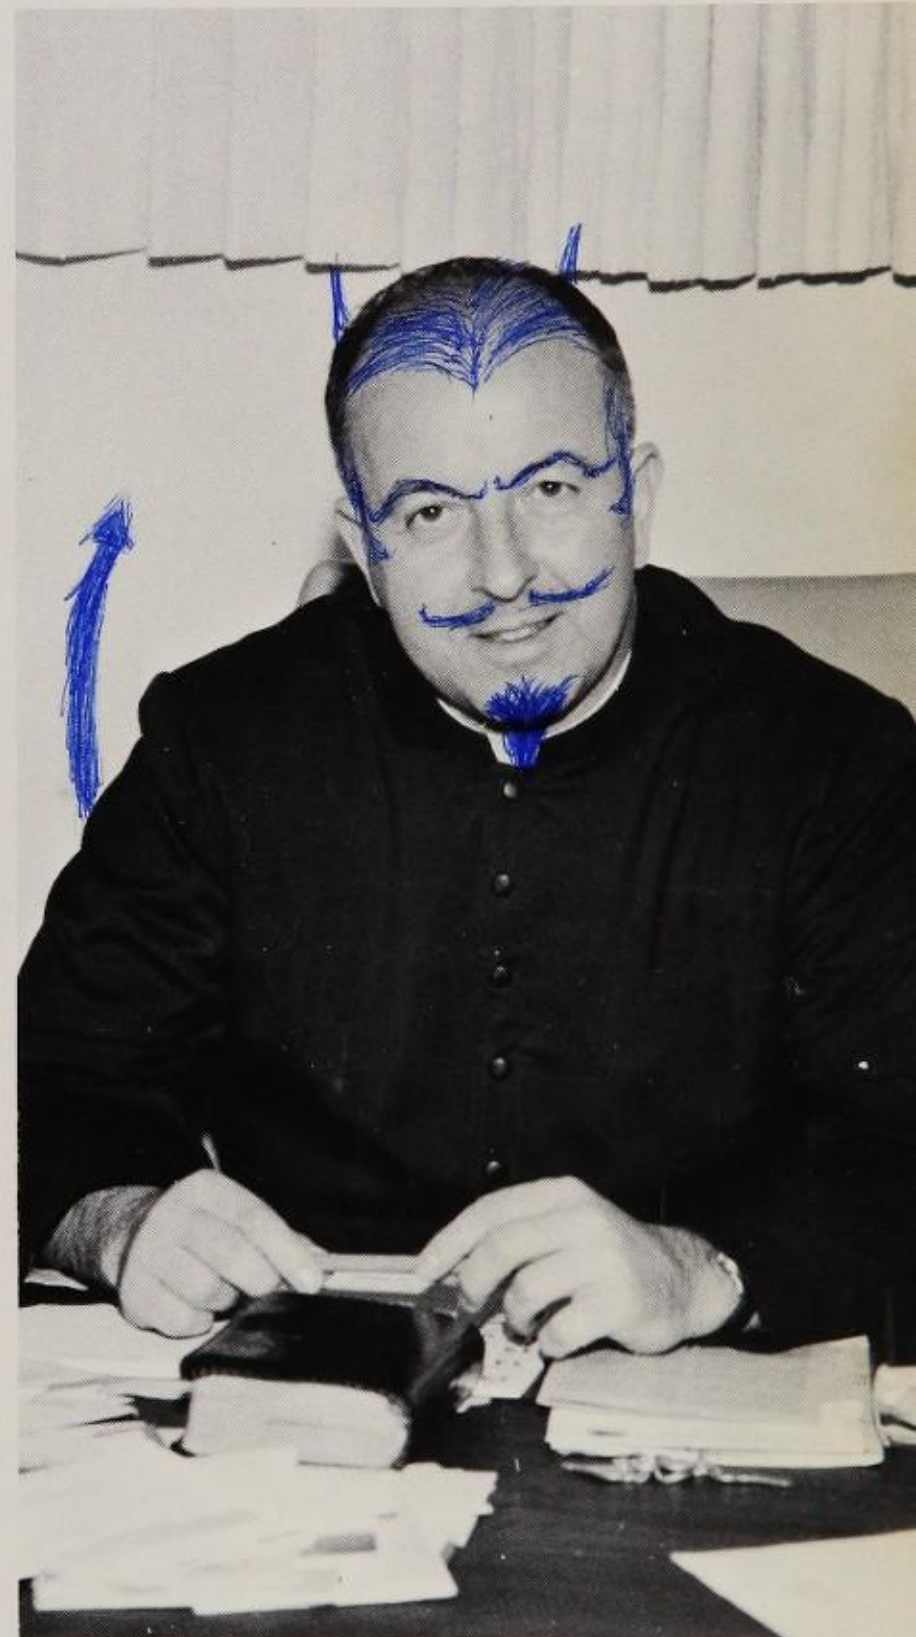

HIS HOLINESS POPE PAUL VI on the occasion of his historic visit to the U.N. General Assembly.

"In the name of God and His Son, Jesus, about Whom we urge you to enlarge your hearts to the dimensions of the world, to listen to the appeal of your brothers and to place courageously at their service your youthful energies." (Vatican Council II)

"... Be generous, pure, sincere and construct in enthusiasm a better world than that of your seniors." (Pope Paul VI)

HIS EMINENCE JAMES FRANCIS CARDINAL McINTYRE, Archbishop of Los Angeles

REVEREND BERNARD O'CONNOR, C.M.F.
Pastor, Mission San Gabriel and Administrator, Mission High School

ADMINISTRATOR, Father O'Connor, during his six years at Mission High School, has proved himself to be an interested and energetic Administrator. Father is consulted concerning all plans and actions of the school. In addition, he works very closely with the Parents' Club. His hard work and unending concern are appreciated by the Student Body.

OUR PRINCIPALS

Sister M. John Dominic, O.P. and Rev. Henry H. Herrera, C.M.F. Their constant efforts have been a great aid in maintaining Mission's traditions and high standards.

Appreciation

From them, we have received
inspiration and guidance
which have become a part
of our treasury of memories

I hope that you
are having as much
fun in Big School as
I am. You know and

I hope you do too.

Teachers are the direct cause and important half of the factors producing good learning, promoting educational achievement and personal good character development, and stressing the importance of good citizenship.

They not only influence students academically, but play a large and important role in their non-academic social lives by advising clubs, sponsoring organizations and often chaperoning all-school functions.

Outstanding Seniors

MOST ATHLETIC: Mark Stafford and Brenda Waite

You are probably wondering who these people could be. You are aghast at their behavior. You demand an explanation. But even if you don't, we will give one.

It seems that these are those who, by some stroke of fate, have been chosen, selected, conscripted, or forced to bear a rather dubious title. These are the "Mots" of the Senior class.

MOST LIKELY TO SUCCEED: Kathy Moore and Deno Vaerini

MOST TALENTED: Denise Floryan and Roger Carmody

MOST FRIENDLY: Rosalie Acosta and Frank Pirolo

MOST CO-OPERATIVE: Tim Higgins and Ann Mawn

BEST DRESSED: Mike Cruz and Yvette Thorimbert

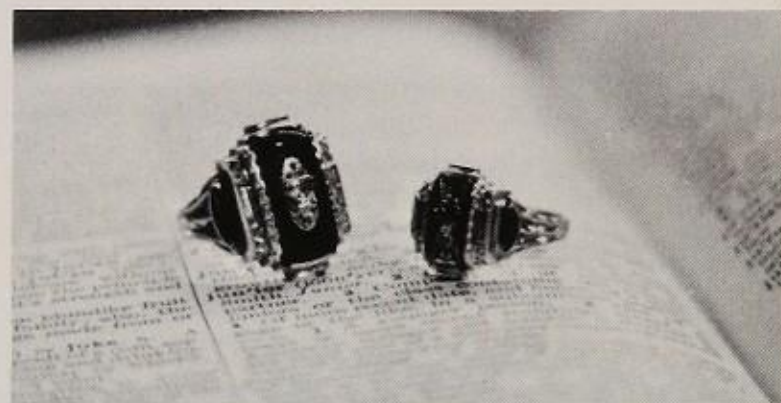

MOST INTELLECTUAL: Joe Middleton and Eri Fujita

These pages unfold the faces of involvement—the Sophomores of 1966.

Freshmen couldn't be prouder . . .

We are the Freshmen and we couldn't be prouder! We remember our first day at Mission. Initiation—who could ever forget it? Where's room 124? I can't get my locker open—Help! Detention . . . who do you think will be class president? My name is Linda, what's yours? Oh no, semester exams already. We want to be a little bit better! Our first Annual Queen—they said it couldn't be done. Field day was great! We showed everyone when we won the Spirit Trophy!! Where did it go? We were the Freshmen and we couldn't have been prouder. Gee it was great.

These are just a few expressions of the Freshmen, the class of '69. Wide-eyed and eager to learn and express themselves in the best way they know how, they have already spent one worthwhile year here at Mission becoming recognized as a class with great potential. Gathering the knowledge and strength they have already gained in just a few months, Freshmen march ahead to become a class of super spirited Sophomores.

The reunion—Changed faces and new ones.

Classes '57 to '65 reunited or met for the first time.

Mass and a special assembly from the student body was presented to the celebrating Jubilarian.

Sister John Dominic's Jubilee

Twenty five years have brought Sister John Dominic blessings, experiences, and thousands of friends who have been affected by her influence. At Jubilee festivities, fellow religious, former students, and close relatives shared with

Mission High School in the celebration for Sister. The activities were climaxed with High Mass presented in thanks and congratulations by the students and faculty.

Alumni are received with the typical welcome . . .

. . . and can still accept advice from an old friend.

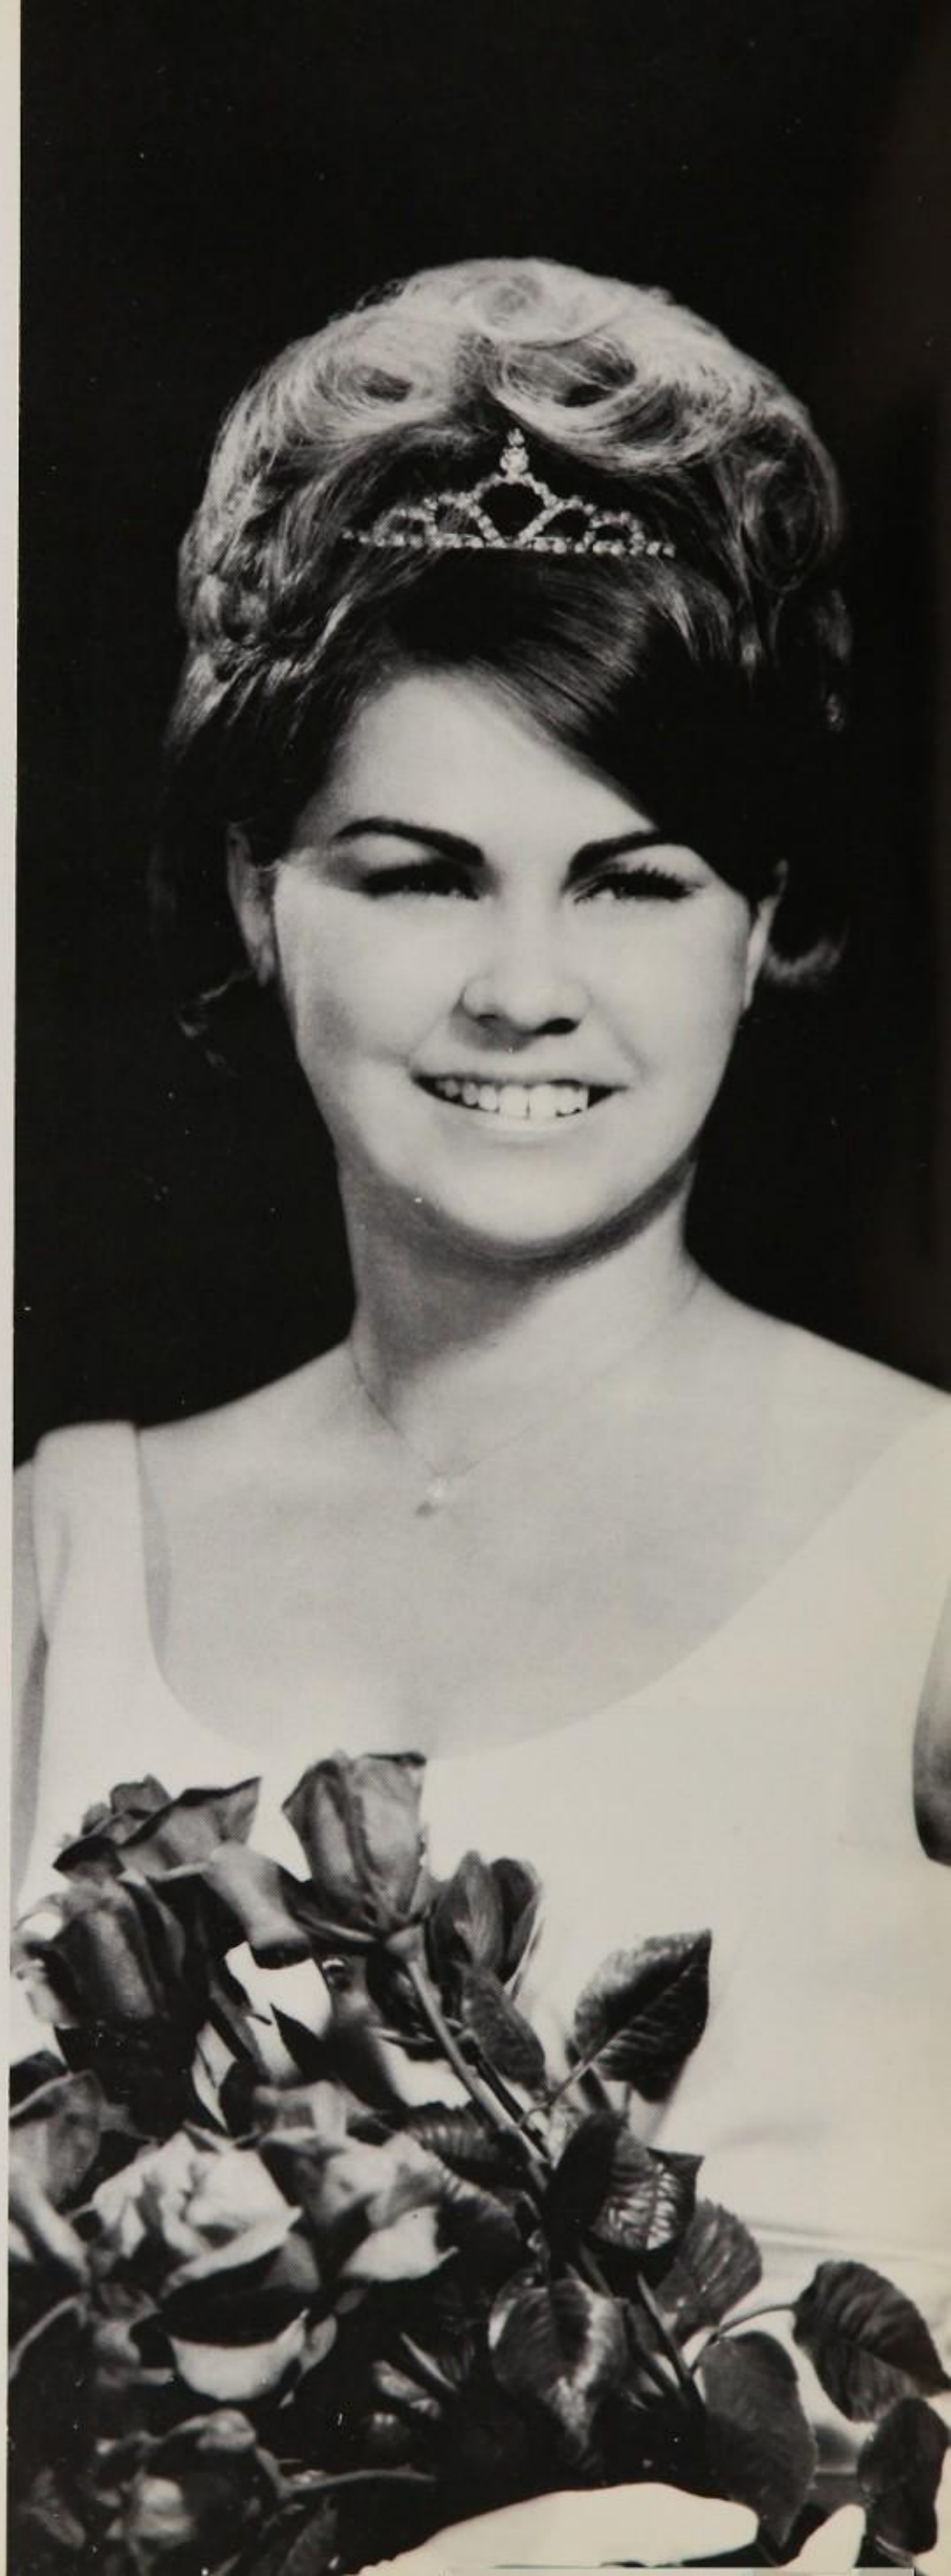

Concluding the class tribute, the student body officers give their special remembrances.

Kathy Moran queens Homecoming '65

If school spirit and service are characteristic of homecoming queens, Mission's own '66 Queen Kathy Moran certainly fills the bill. Kathy has assumed the privileges, yet responsibilities, of homeroom representative, class song leader, Annual Queen, and finally Varsity Song Leader and Homecoming Queen. But all these have special titles . . . remaining are all the small, unsung jobs indicative of Kathy's spirit. Along with the Crown, then, the Pioneers give her recognition and thanks.

The Pep Squad joins in the half-time celebration at Homecoming.

The moment of highest anticipation had arrived. A new queen was about to take the throne. The envelope was opened, and the announcement was given to an anxious throng: Kathy Moran—Homecoming Queen for 1965.

On Saturday night, determined to give Salesian Mustangs and former coach Bob Holycross a battle, Mission Ironmen barreled into the game with full Pioneer force only to be

overwhelmed by a crushing defeat. Yet Mission's spirit couldn't be dampened when at half-time cheers and balloons went up for our newly crowned queen and her court. Festivities concluded at the after-game dance when her highness was again honored by the Student Body marking the end of another unforgettable Homecoming.

Homecoming draws enthusiasm and participation from student body

Her highness, Queen Kathy Moran.

The Queen and her court graciously take the dance floor.

The Homecoming Queen is announced.

Alumni still have Mission spirit.

The Drill Team gives another entertaining half-time performance.

I'll trade my spinach salad for your raisin muffin.

Faculty Banquet

This year for the first time, our faculty was awarded a special banquet in their honor. After a delightful dinner Father O'Connor presented the teachers with gifts in appreciation for their hard work. The Faculty Banquet, giving our instructors a chance to relax and socialize, was an enjoyable event for all.

Actually, I always considered the Annual Staff one of the most organized factions of our institution.

Startup's gives a gourmet touch to the delicious dinner.

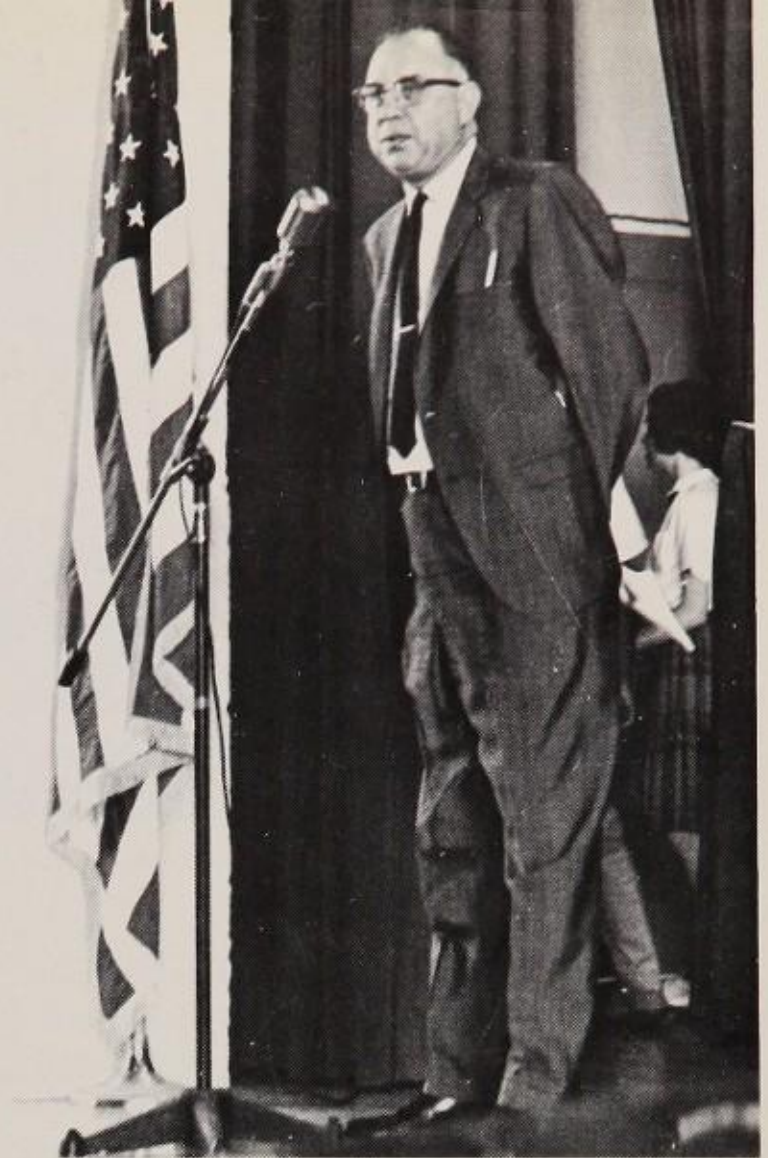

Sister Miriam Rose receives a gift certificate from our administrator.

We are the parents' Club and couldn't be prouder!

Parents' Club

President Harry Griott announces the future Pioneer Day proceedings.

One of the highlighting activities of the year was the parent sponsored Fashion Show in February.

Flash! The Parents' Club has infiltrated the bandroom.

The hard-working Parents Club fills an important role at Mission. By freely contributing their time and effort, its members make possible many improvements to the school as well as special events such as Pioneer Days. To acknowledge a debt that we can only hope to repay, we, the students of Mission High, here pay tribute to our parents.

Couldn't do without them

To operate a school requires much more than just teaching class. Many tasks—all the way from fund-raising to school maintenance—must be attended to. These people, who provide the foundation for academics at Mission, deserve recognition from the entire student body.

CUSTODIAN: Pedro Romero.

The big dance scene in the auditorium.

Dancing Pioneer Style

An auditorium filled with vivacious, perspiring teenagers and the sound of rock n' roll music.

An auditorium filled with the feeling of excitement, backed by the blare of amplified guitars.

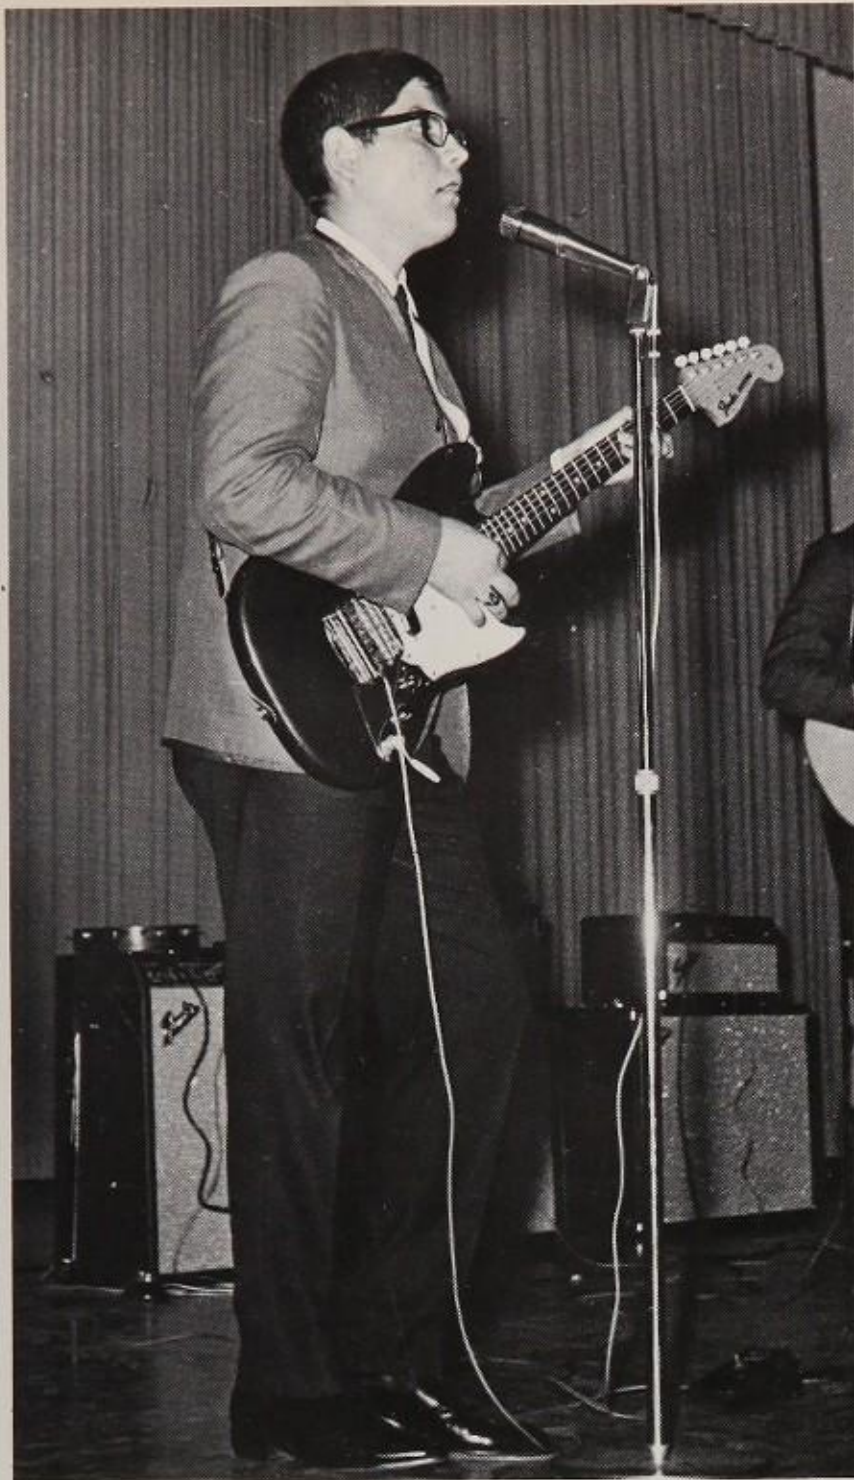

An auditorium decorated with crepe paper, shaking in response to the cacophony below.

"Just Wild", "Discotheque by Dusk", "Roaring Twenties", "Boots and Saddles" became contributors to this spectacle.

An auditorium, complemented with Mission students, became a place of "expression" for 1966.

... meanwhile back in the foyer was the real action.

Mission Memory Makers

PIONEER 1966

First off: an annual is a (a) book (b) thing (c) tangible object which has the power to evoke intangible memories. An annual should always be (a) incomplete and on time (b) complete and late (c) filled with bright lights and tender thoughts. On the other hand, summer is a time: (a) to work and be a dull boy (b) to finish an annual (c) to run through golden fields of wheat and barley. Then too, active annual staff members are many as (a) 15 boys (b) 7 girls (c) twice the number of stars in the nearest galaxy.

Now if you picked 'a', you could very easily be a satisfied student of another school or else a faction of Mission's student body unhappy with present progress.

However, if you picked 'b', you either are annual staff members, or highly intelligent people, or both. If you picked 'c', see a psychiatrist—you probably have many ideas to share.

Putting out a newspaper

Under the direction of Miss Lipp, the Angelus Staff produced an original zest to the regular news stories.

Applying themselves conscientiously throughout the year, the Angelus staff contributed their time and talents to produce fine news coverage.

Under the able leadership of Co-Editor Sandy Bargsten and Ken Loggins all school activities were amply covered.

Now presented bimonthly the Angelus contained articles of interest to everyone.

The moderator, Miss Lipp, the editors and all the staff members formed a single hard working unit that would be difficult to surpass; the paper itself speaks for their accomplishments.

Sodality and YCA lend spiritual inspiration

The Sodality is one of the most respected organizations at Mission. Its purpose is to give devotion to Mary and to show Catholic Action through charitable deeds, such as, helping patients get to Mass at the General Hospital and collecting food for the needy families in Tijuana. By these actions, the students in the Sodality and YCA truly show the spirit of true Christianity.

Under the direction of new head-coach Tate Duff, Mission split their pre-season schedule 2-2 with a whitewash victory over Bell Gardens 12-0 and a 22-12 win over Cantwell.

Mission's hopes looking bright for a successful season, were dimmed by a 21-0 waxing from Bishop Amat. Then Mission gained its first league victory by defeating Pomona Catholic for the first time in five years with an 18-12 score.

Next Pioneers battled with the dangerous Knights from St. Francis. Mission played its greatest defensive game on the ground but lost to its rivals with three touchdown passes, losing 28-6.

The Mission Bee Football Team started pre-season play with three straight wins—Bell Gardens (19-6), Victor Valley (15-6), and St. Monica's (21-0)—followed by one defeat from Cantwell.

In the first two league games, the Pioneers were stopped again by two successive losses from Bishop Amat (14-6) and Pomona Catholic (14-6). The team rallied back by giving St. Francis a 21-0 beating, following up with another win over Salesian (12-7). Final league game with Alemany was rained out.

Bee Varsity Members, fluctuating in win and loss scores, prepared for future Varsity experience in the coming Pioneer seasons.

Mission's freshmen in high school play opened the pre-season by losing all four games including a 20-0 shelling by St. Monica's.

In league play, the Pioneers's losing streak continued with defeats from Bishop Amat 27-13, and St. Francis 32-0. But the Cee team caught the Mission spirit and came back to win a 26-7 victory over Pomona Catholic.

The Spartan defeat was no accident as Cee Ironmen came back the next week to blank the Salesian Mustangs 19-0.

Mission was stopped in its victory string when Alemany was almost washed away in a heavy rainstorm and the final game was called off.

All of Mission High is looking for these fine young players to strengthen the Bee and Varsity squads in coming seasons.

Varsity Basketball

Lacking the necessary height for a winning team, Mission's season was not as good as hoped. Although making a good showing, rookie sophomore Bob Siemak could not fully replace injured Jim Haderlein. Ken Loggins tried his hand at the center spot but lacked about 4 or 5 inches of height.

But with the bad season came good hopes for next year. Sophomores Dave Moraga and Bob Siemak gained valuable time varsity play. And the junior members of the team including Paul Weber, Manuel Lopez, Pat & Paul Ott, and Joe Ramm showed much improvement.

The Pioneer Five will be missing the abilities of All-Leaguers Frank Pirolo and Mark Stafford. Graduating members Ken Loggins, Pete Hermes, and Luis Guzman also helped Mission greatly with their efforts.

With many returning lettermen, Mission fans hopefully await the first tip-off of the 1967 season.

But then the Bee's caught fire and began winning games and won the next four in a row. After valuable experience in team play gained in the pre-season, the Pioneers came on to show that they had learned well with only a few weeks experience. Mark Hermes, Mike Rodriguez, and Joe Blandino were greatly responsible for the success of the rookie team. These first year players will be welcomed by all as they prepare to help Mission take the league and CIF titles in future years.

Poor season disappoints

VARSITY TRACK

Despite another disappointing season, the Mission track team united to show they would not be completely passed over. With such seniors as Lupello, Dion, Garcia, Selinske, and Loggins in the lead, the varsity trackmen fought to gain valuable experience for the future.

Tate Duff and his assistants plan to build a stronger team next year and prepare to guide them through continual victories in league contests.

B. AND C. TRACK

The Bee and Cee track teams had a poor year, but there is always next season for these spikers who acquired much valuable experience along the way.

With such material as Ed Hitchcock, Andy Paiz, Rene Luera, Mike Settipane, Dave Sanchez, and Mike Spencer back next year, Missions' Bee and Cee track teams can look forward to a more successful showing in the league rankings.

Varsity Baseball

Taking the reins as head coach in the '66 baseball season was Art Raya. There was much to do in organizing this year's team as was reflected in Mission's six pre-season losses.

After an opening loss of 9-6 to Alemany in league play, the Pioneers won their next game 4-2 over LaSalle.

Mission finally ended the season with a 6-8 record, including 7-1 and 2-1 wins over rival St. Francis and a 13-0 blasting of LaSalle. Although they practically maintained a .500 record, the team showed great improvement over last year's 1-9 record. With valuable experience gained by Pioneer underclassmen, Mission hopes to dominate the league in the future.

With all but two players being freshmen, the J. V. baseball team can certainly look back on last season with an air of confidence. Though the team seemed extremely apprehensive in their first competitive high school sport, they were far from it as John Marino, Pete Nunez, and Mark Hermes led them to surprising victories over the opposition.

The Varsity Squad scores another victory with Pomona Catholic.

The Varsity Volleyball team emerged from the '66 season in a three-way tie for the league's top spot. Led by captain Jeanna Nicholas, the Pioneer squad launched into a hard-fought battle against rival contenders, Queen of Angels and Sacred Heart of Mary. The playoffs were climaxed by Queen's victory and first place title, while Mission claimed third place.

With only one loss in the season, the Bee Varsity narrowly missed the first place position. Captain Maria Gillespie led the team all the way to the league's second place.

Although the Pioneers' league standing was not superlative, the sportsmanship and spirit was certainly at its peak.

Golfers Place Third in League

The Golf Team surprised everyone by finishing third in the Santa Fe League with a 7-5 record. Scoring victories over St. Francis, St. Paul, LaSalle, and Amat, Mission Varsity Golfers, under Father Reed's direction, showed themselves off with fine members as Steve Bitteroff, Bob Warden, Paul Conzonire, Paul Ott, and Johann Von Peschke in the league contests.

Mission Netmen Have .500 Season

The tennis team, with Father Delgado as coach, was led to a successful season by seniors Pat Greene, Mike Ringleb, Roger Carmody, and Ruben DeLatorre. The team's winning percentage was better than .500. With juniors Joe Ramm ("Most Valuable") and Jerry Greene ("Most Improved"), later chances for CIF championship in the small school division seems very probable.

BASKETBALL INTRAMURALS

Carrying an athletic winning streak through the year, Juniors emerged class basketball champions for 1966. Guided by the encouragement of captain Pat Romero, last year's victors fought their way through after close competition with all classes. Games were climaxed with a close struggle giving the Chevaliers an 8-7 victory over the Senior Spartans.

PIONEER DAYS —

fun for a good cause

When Pioneer Days came around, the Parents' Club introduced a new attraction—the DeWayne Brothers Circus, complete with elephants, clowns, trapeze artists, and trained dogs.

Traditionally the festivities proceeded with the usual sell-out dance, the barbecue dinner, and a 1966 Volkswagen raffle.

Pioneer Days, thanks to Mr. Moran and Father O'Connor, was a complete \$10,000 success in preparation for the building of a new gymnasium and other school improvements.

The steak dinner was one of the highlights of Pioneer Days.

Field Day — fun . . . and frustration

Insurrection marked this year's Field Day. Various unwarranted reports of stampeding buffalo proved false, but there was so much excitement, no one seemed to notice their absence. When the smog cleared, a subversive group from 4C had captured first place.

Ray Cota makes a punt attempt.

A full cafeteria attests to the popularity of the Junior-Senior Banquet.

The Junior-Senior Banquet marked the last social event for the Class of '66. A farewell buffet served by the Juniors was followed by a special dance and several graduation parties.

Senior-Sophomore picnic

The Sophomores apparently form a human pyramid to honor the Senior Class.

Some were compelled to revert back to childhood.

The Senior-Sophomore Picnic meant more than simply the time to enjoy basket lunches made by the Sophs and to revert to the idiocies of the moment. The Senior-Soph Picnic meant friendly memories that the soon-graduating Seniors could always keep.

The hall, lined with picnic baskets, depicted the occasion.

Capture for a moment a dream, a fantasy in soft lights, and a group of castaways held in a world of enchantment. At the top of Los Angeles, on May 18, Mission High upperclassmen danced to the music of the **True Tones** and dined in an atmosphere of velvet and chandeliers. Four years have gone by, and finally Graduation Week, the culmination of those years of work arrives. Awards Night begins the week as deserving Seniors are honored for outstanding achievements which have brought distinction to themselves and Mission. Days of frantic activity follow, highlighted by the Sophomore Picnic, the

Junior Dinner, and Senior Class Day — all honoring those who are about to leave. Graduation Day itself begins as Father Henry celebrates the traditional Baccalaureate Mass. Then comes the Freshman Breakfast and one final practice to make sure everything is perfect. Suddenly it's evening and gowns are put on, the lines are straightened.

Ray and Kathy

The Class of '66 marches into San Gabriel Civic Auditorium to complete that last task Mission will demand of them. Valedictorians Tim Harmon and Eri Fujita make their addresses, Monsignor Maurice P. Dee confers the diplomas; and then, as the organ plays, the Class of '66 passes from the auditorium and from Mission.

What do you do when you finish an annual? You laugh and shout and run around and forget about annuals because it's months until you start to work on next year's annual.

All that is fine if you get your annual out on time and it is months before you have to start on another one. But, if you finish last year's annual about the time you should start this year's and people go off frolicking in forest glens — well. Of course, this could all have been avoided by assembling an efficient, talented, creative staff. But strike three, we're late.

To finish at all took the help of some very sympathetic people. Mrs. Grace King was thoughtful enough to provide the staff with (in order of importance) cookies and its moderator. Jack and Bill Christy traveled all over California taking pictures for and of us, and Mr. Hopkins and American Yearbook Co. exhibited the tender loving care of a non-profit organization. Lastly, the most sympathetic (we hope), the Faculty and Student Body who have been so understanding in keeping their cries below the threshold of pain.

It's different, it's great, but most of all it's here! Good-by Merry Christmas, Happy Easter — or something.

Will You Remember Mission 66

Mike, Will always remember
the great times we've had -
especially the junior prom
you and Carlos and me &
Jim - I hope this year is
the greatest ever and that

yes!

[illegible]

Mikki,

The past three years have been just bitchin
with you around. But then after June we
will no longer be able to see one another,
to see one another's home work, to yell at
one another or even to gossip about others
with one another. But Mikki, Graduation will
never wipe out all of the memories that
I have of you and of Mission. You will
always remain one of my very best friends.
That means call me sometime and let
me know how you and ? are getting
along. Well Mikki, what I would like to
